Reading

Memorandum

Date: April 29, 1998

To: Ed Morris, Chief
Land & Water Use & Conservation Section, Central District
Department of Water Resources

From: Dave Samson, Chief *Dave Samson*
Conveyance Facilities Unit
CALFED Bay-Delta Program

Subject: Applied Water Study

The CALFED Bay-Delta Program appreciates the effort your team expended on the Applied Water Study. Your report provides the basis for our study of an alternative Delta Agricultural/Urban delivery system currently underway. We were especially pleased with the work of Jean Woods and Holly Sheradin. Please extend our gratitude to them.
